

# MORGAN BENOIT

---

## ACTOR.

A native of Vermont, Morgan began acting in China in 2004. He moved to Beijing at seventeen to pursue his passion for Kung Fu. While in China, he learned to speak fluent Mandarin.

Recently returning to Los Angeles, Morgan has earned several notable credits including a supporting role in THE FORBIDDEN KINGDOM alongside Jackie Chan and Jet Li.

In addition to keeping a rigorous martial arts training schedule, Morgan maintains well versed as a thespian. His brooding looks often land him darker roles, but Morgan is mellow and easy going.

Currently, Morgan is collaborating on penning a screenplay that uniquely marries his western roots with eastern culture and mythology.
